A large, stylized portrait of Ebenezer Scrooge from Charles Dickens' 'A Christmas Carol'. The portrait is rendered in a high-contrast, graphic style with a dark, textured background. Scrooge is wearing his iconic top hat and has a stern, somewhat menacing expression. The background behind the portrait is a collage of warm, abstract shapes in shades of orange, red, and purple.

CHARLES DICKENS' *A Christmas Carol*

Adapted and directed by REBECCA GARRON

CHRISTMAS IS A TIME OF CHEER AND JOY, but not for penny-pinching old Ebenezer Scrooge. Over the years his heart has turned to stone. The only thing that counts is his money – never waste a penny, and certainly not on the poor! Song and dance? Bah, humbug! But then a chilling thing happens – the tormented ghost of his old partner Jacob Marley comes back to warn him of what lies in store unless he changes his ways. That night the ghosts of Christmas Past, Present, and Yet to Come call to haunt Mr Scrooge. They remind him of who he once was, confront him with the realities and hardships of the present, and reveal his personal fate if he stays hard-hearted. Can Scrooge be moved to a change of spirit?

Set in Victorian times, and with live music, folk dance and song, *A Christmas Carol* tells a timeless heart-warming tale of humanity and the true spirit of Christmas.
